John

Thank you for providing the grid references. On review, the referenced location falls within a site outside of a statutory safeguarding area. Therefore, the Ministry Of Defence does not have safeguarding concerns. However, the MOD should be consulted at the application stage, for thorough assessment.

Kind Regards

Louise Hunter

Hi Louise
Further to our telephone conversation this morning the grid reference you requested is **454 200 225 900**.
Please could you kindly identify any possible constraints?
Thanks
John
