Dear Mary,

Re: PLANNING APPLICATION AND ENVIRONMENTAL STATEMENT FOR THE PROPOSED ENERGY FROM WASTE FACILITY AT ARDLEY WASTE MANAGEMENT FACILITY, OXFORDSHIRE

Please find enclosed our completed planning application and Environmental Statement on behalf of Viridor Waste Management for the development of an Energy from Waste Facility with associated amendments to the existing landfill and HWRC at the Ardley Waste Management Facility, Ardley, Oxfordshire.

The application and Environmental Statement has also been submitted to you electronically via the planning portal.

The revised planning application contains all the information previously requested by the County Council for the purposes of validation and the Environmental Statement includes a schedule, at the front of Volume 3, indicating which sections have been changed as part of this re-submission.

The complete submission consists of 4 volumes, as follows:

- Volume 1 – Planning Application, which includes the completed application forms and certificates, the supporting statement, Design and Access Statement, Sustainability Appraisal, pre BREEAM assessment and Statement of Community Involvement;
- Volume 2 – Drawings and Plans, which contains the drawings which form part of the planning application;
- Volume 3 – Environmental Statement, which includes the individual chapters of the Environmental Statement; and
- Volume 4 – Environmental Statement Technical Appendices, which contains the supporting information for the chapters contained in Volume 3.

In addition a non technical summary of the Environmental Statement has also been produced.

The following documents are therefore enclosed:

- 10 hard copies of Volume 1 – Planning Application;

- 10 hard copies of Volume 2 – Drawings;
- 10 hard copies of Volume 3 – Environmental Statement;
- 10 hard copies of Volume 4 – Environmental Statement technical Appendices; and
- 10 hard copies of the Non Technical Summary.

No fee has been included as it is considered that this application is the first revision of an application for development of the same character, on the same site, by the same applicant made within 12 months of the previous decision.

Hard copies of the complete submission are available for purchase for £150, and CDs are available for £5.

Should you have any queries regarding the application I would be pleased to hear from you.

Yours sincerely,
SLR Consulting

Christopher Herbert
